-  The GoodNewsCoach will help remind, encourage, and train you to be better at evangelism!
-  Use it to make sharing the Gospel regularly a reality instead of an unmet expectation.
-  It is a training tool to help you have effective Gospel “conversations”... not just “presentations”.
-  This free app is a valuable tool for those seeking an accountability push from a trusted mentor, or the other way around.
-  Use it to encourage your friends, small group, church, or ministry network to do the work of evangelism, not just talk about it.
